____***Saratoga - A Military History***

by John F. Luzader **$ 35.00** **$ 5.00** _____

The months-long 1777 Saratoga campaign was one of the most decisive of the entire Revolutionary War. The crushing British defeat prompted France to recognize the American colonies as an independent nation, declare war on England, and commit money, ships, arms, and men to the rebellion. *Hardcover*

____***The Elementary Common Sense of Thomas Paine***

by Mark Wilensky **$ 19.00** **$3.00** _____

The famous 1776 pamphlet Common Sense by Thomas Paine edited and adapted for readers 11 to adult. A breakthrough text for all ages. Adults as well as students will appreciate this concise version which includes an excellent glossary of terms, humorous illustrations, and a sensible timeline that illuminates Thomas Paine's 1776 pamphlet, Common Sense. *Softbound*

____***Savannah Under Siege the bloodiest hour of the Revolution***

by H. Ronald Freeman **$ 10.00** **$3.00** _____

The narrative is excellent. The author did a great job of describing the various battles leading up to the final conflict, including the order of battle of the combatants, major and minor figures that participated, and the moment-by-moment activities during the final battle between the Americans and French (and their allies) and the British. He also details the intriguing political and personal motivations of the various commanders like General Lincoln and Fench Admiral d'Estaing as well as others. *Softbound*

____***George Washington's Sacred Fire***

by Peter A. Lillback **$ 25.00** **$5.00** _____

Bestselling book Washington - the Founding Father of our Nation – has been the subject of great confusion and debate about his faith, leading to the misconception that he was a deist. The purpose of George Washington’s Sacred Fire is to prove definitively that George Washington was indeed a devout, practicing Christian. *Softbound*

____***Geoge Washington & Israel***

by Peter A. Lillback **$ 7.00** **$2.00** _____

Dr. Lillback's insightful work researches the question, "Is it inherently American to be pro-Israel?" Yet, could the evidence from Washington's life and writings show that he knew far more about Israel than most thought possible? *Softbound*

____***Standards and Colors of the American Revolution***

by Edward w. Richardson **$ 150.00** **$ 5.00** _____

This is the most complete book on the subject of American flags of the War for American Independence that I have found . The The book covers both Colonial flags by state and national banners with photos drawings and color plates. *Hardcover*

____***Why American is Free A History of the Founding of the American Republic, 1750-1800***

published by the Society of the Cincinnati **$ 19.00** **$3.00** _____

Tells the story of the founding of our Republic in a way that appeals to middle grade students. Following the story through the eyes of a young boy living it as he matures and experiences the historical times of the American Revolution; gives students a real feel for the life-style, thinking and events of that era. *Hardcover*
